Sir:

In response to the Office Action dated August 7, 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

Please enter the following amended claims:

1. (Amended) A game device having a controller operated by a player in accordance with game music, comprising:

commercially available music CD reproducing means for reading recorded content from a commercially available music CD to reproduce music as game music based on the recorded content read;

commercially available CD judgement means for reading recorded content from a commercially available music CD to judge whether or not the commercially available music CD is a predetermined commercially available music CD based on the recorded content read;
